

Addiction Services Council Organizes Their 70th Anniversary Gala Dinner “*1949 Rewind in Time*” and Launches Corporate Sponsorship Program to Help Families Affected By Addiction.

It is no big surprise that addiction is widespread. In fact, 7 out of 10 families are affected by addiction. Addiction Services Council has been *Lighting the Way to Recovery* for 70 years, and knows the devastation these families face. This is why they not only offer services to help the person who is addicted, they also have programs to help the rest of the family but they need your help. How can you help?

One way is to attend their event. The Gala is planned for February 16, 2019 at The Newport Carnegie located at 401 Monmouth St. Newport, KY from 6pm-10pm. Tickets are \$100, and includes dinner, dancing, and a silent auction. Parking is

included in the ticket price, and full tables that seat 10 are available to be reserved at \$800.

Another way to help is by donations. Whether you want to give as an individual, or be a part of their corporate sponsorship program the funds are greatly needed to continue their work. Additionally, they are in need of high quality silent auction items.

If you would like more information on sponsorships, donations, or just want more information about the gala, please contact Kevin Richardson at (513) 913-0580.
